

Black Mondo Grass

A close-up photograph of Black Mondo Grass (Ophiopogon japonicus 'Black Mondo'). The plant features dense, upright, sword-shaped leaves with a deep purple-black hue. The background is slightly blurred, showing more of the plant's texture and some green foliage.

- **Excellent Border Plant With Distinctive Foliage**
- **Dense Purple-Black Foliage With Dark Lavender Flowers**
- **Purple Fall Berries**
- **GROWTH: 5-6 IN. TALL AND 5-6 IN. WIDE**
