

Winter Red Winterberry Holly

A close-up photograph of Winter Red Winterberry Holly branches. The branches are covered in numerous small, bright red berries. The berries are densely packed and appear to be covered in a light layer of snow, giving them a frosty appearance. The background is a soft, out-of-focus white, suggesting a snowy winter environment.

- Spreading, Deciduous Plant
- Scarlet Red Berries in Fall
- Growth: 6-8 Ft. Tall and 6-8 Ft. Wide
