

# Adonis Blue Butterfly Bush

A close-up photograph of a butterfly bush with vibrant blue-purple flowers. A yellow and black butterfly is perched on one of the flower spikes. The background is a soft-focus green and blue, suggesting a garden setting.

- **Compact Plant With Blue-Purple Blooms**
- **Attracts Butterflies and Hummingbirds**
- **Deer Resistant**
- **Growth: 5-6 Ft. Tall and 4-5 Ft. Wide**
