

Emerald Heights Distylium

A photograph of a dense, upright, rounded shrub with small, dark green, glossy leaves. The shrub is growing in a garden bed with reddish-brown soil. The background shows more greenery and a path.

- **Broadleaf Evergreen Shrub**
- **Great Alternative to Laurels, Junipers and Hollies**
- **Compact, Upright-Rounded Growth Habit**
- **Small Reddish Flowers**
- **Growth: 5 Ft. Tall and 5 Ft. Wide**
