

Purple Passion Rhododendron

A close-up photograph of a Purple Passion Rhododendron. The image shows a dense cluster of vibrant purple flowers. Each flower has five petals, with a prominent white throat area that is speckled with maroon spots. The stamens are visible, with yellowish tips. The background is a soft-focus green, suggesting foliage.

- **Large Vibrant Purple Petals**
- **Maroon Spotted White Throat in Bloom**
- **Compact, Vigorous Growth Habit**
- **Growth: 6 Ft. Tall and 5 Ft. Wide**
