

Harry Lauder Walking Stick

A photograph of a Harry Lauder Walking Stick shrub. The plant is covered in bright green, serrated leaves. Small, pink, bean-like flowers are visible among the foliage. The background shows a blurred outdoor setting with a building roof and sky.

- **Multi-Stemmed Shrub With a Round Top**
- **Dark Green Leaves in Summer and Yellow-Green in Fall**
- **Bean-Like Flowers**
- **Contorted Branches Give the Plant a Great Fall and Winter Interest**
- **GROWTH: 8 FT. TALL AND 6 FT. WIDE**
